

University Approved Common Technology List

The State University of New York at Fredonia ("Fredonia") is committed to protecting the privacy of its students, alumni, faculty and staff, as well as protecting the confidentiality, integrity, and availability of information important to the University's mission. This table is for general data users and indicates which risk classifications of data are permitted to be used with each University Approved Common Technology (e.g. software, SaaS, etc..) in accordance with the [Data Risk Classification Policy](#).

NOTE: If a Fredonia technological solution does not appear on the list, please contact the Information Security Office at 673-4725 or Information.Security@fredonia.edu.
