

Extending Test Time in OnCourse

How do I give extended testing time for an individual student, or make other date and time changes?

Step-by-step guide

1. Log in to OnCourse
2. Access the course containing the Quiz
3. Access the Quiz by clicking on its name from the course page.
4. Locate the green gear icon on the upper right hand side of the page. From the drop-down menu select User overrides.

5. Press the **Add User Override** button.
6. In the Search bar type the name of the student who needs accommodations.
