

Create an Assignment in an OnCourse Gradebook

How do I add a manual assignment to my OnCourse gradebook?

Step-by-step guide

To add an assignment:

1. Access the course containing the gradebook.
2. In the Administration block click the "Gradebook setup" link.
3. At the bottom of the page click the "Add grade item" button
4. In the "Item name" field enter the name of the assignment
5. In the "Maximum grade" field enter the value of the assignment in points.
6. In the "Grade category" drop-down menu choose the category the assignment is associated with.
 1. If you are not using categories you can skip this step.
7. Press the "Save changes" button.

Hints:

- If the assignment is extra credit, first create the assignment and save, and then edit the assignment to make it extra credit. Directions on how to make a gradable item extra credit can be found here: <https://answers.fredonia.edu/x/rYAg>
