

Drupal: Editing an Office

1. Click on My Workbench in the top left menu.

2. Click on "All Recent Content".

A screenshot of the Drupal My Workbench page. The page has a dark header with 'My Workbench' and 'Content' links. Below the header, there is a breadcrumb trail 'Home » Administration' and the title 'My Workbench'. A navigation bar contains links: 'My content', 'Create content', 'My Menus', 'My sections', 'My Files', and 'My draft'. Below this, there are two tabs: 'My Edits' and 'All Recent Content', with the latter highlighted by a red circle. The main content area is divided into two columns. The left column shows 'My Profile' with a placeholder image and the name 'rackerb'. Below it is 'Recent Content' with a table. The right column shows 'My Edits' with the message 'You haven't created or edited any co'.

6. Click **Save & Preview**, then Publish (or you can skip Save & Preview and just click **Publish**).

7. Go to one of your department website pages to see the office updates appear under the left site menu.

Cathy and Jesse Marion Art Gallery

The Cathy and Jesse Marion Art Gallery in the Michael C. Rockefeller Arts Center is an educational and cultural institution dedicated to exhibiting and interpreting modern and contemporary art. Gallery programs embrace Fredonia's mission to enrich audiences through scholarship, artistic expression, and community engagement.

The Marion Art Gallery features group and solo exhibitions by regionally to internationally renowned artists. Catalogs accompany major exhibitions. Programming includes gallery talks, lectures, workshops, and seminars by artists and scholars. The Marion Art Gallery also educates and inspires students through invaluable experiential opportunities, a biennial art student showcase, and three annual senior thesis exhibitions. The Emmitt Christian Gallery features self-curated three-person exhibitions of student work; exhibitions are rotated every two weeks during the academic year.
