

# Computer Labs

The State University of New York at Fredonia has many computer labs for class as well as general use. For more information and hours, click on any of the labs below.

Open use labs may be used by all students and courses are not typically scheduled in these labs.

General use labs can be reserved for classes through contacting the Office of the Registrar.

Restricted labs are not scheduled by the Office of the Registrar, but by academic departments.

Computer Lab	Computer OS	Open/General/Restricted	Seats
<a href="#">Fenton 115</a>	Windows/Mac	Open	28
