

Argos Hands-On Lab Times

Open lab sessions are scheduled throughout the year. These lab times are for you to have your Argos questions answered or to have time to practice using the new system.

There will be no formal presentation, this is your time to practice and have your questions answered.

You can find the current lab schedule (and other Argos news) at: <http://home.fredonia.edu/argos/argos-news>

You can find out more about Argos at: <https://answers.fredonia.edu/x/6AIHAQ>
