

Blackboard Collaborate Ultra

Blackboard Collaborate is a real-time video conferencing tool that lets you add files, share applications, and use a virtual whiteboard to interact. Collaborate with the Ultra experience opens right in your browser, so you don't have to install any software to join a session.

You can use Collaborate Ultra within [OnCourse](#) or as a [standalone application](#).

Help is available depending on your role. Will you be using Collaborate as a:

[Participant](#) or ([Start Here With The Basics](#))

[Moderator](#) or ([Start Here With The Basics](#))
