

# Using Google Drive files offline

Faculty, Staff, and Students (and some affiliates) under the [fredonia.edu](https://fredonia.edu) domain may use Google Drive files while offline.

This feature allows you to use Google Drive files offline if you aren't connected to a Wi-Fi or mobile network. Using this feature, you can still view and edit files, including:

- Google Docs
- Google Sheets
- Google Slides

If you need assistance with setting up or using this feature, please visit the Google Support Offline File Access help at <https://support.google.com/docs/answer/6388102?co=GENIE.Platform%3DDesktop&hl=en>.
